## Brief Bio

Dr. Donna Harrison is a physician, board-certified in obstetrics and gynecology. She is currently serving as Director of Research for the American Association of Pro-Life Obstetricians and Gynecologists, the largest non-sectarian pro-life physician organization in the world, with over 8,000 members across the United States, and associate members worldwide. Under her leadership as past CEO, AAPLOG doubled membership, launched the annual Matthew Bulfin Educational Conference, developed an up-to-date website and social media presence, and launched systematic outreaches to the medical, legal and policy communities to discuss the effects of abortion on women. Dr. Harrison also serves as Chair of the Alliance for Hippocratic Medicine.

Dr. Harrison's research interests include Selective Progesterone Receptor Modulators, Endometrial Contraception, Maternal mortality, and Abortion Mortality and Morbidity. She has authored peer reviewed papers on the approval of RU-486 and on Ulipristal (Ella) as well as on the embryocidal potential of hormonal contraception. Dr. Harrison is a Continuing Medical Education Speaker in the United States and internationally on topics of Medical Abortion with Mifepristone and Misoprostol, Adverse Events associated with Mifepristone and Misoprostol, Emergency Contraception with Ulipristal, Maternal Mortality, and Abortion Morbidity.

She served for many years as an Adjunct Professor at Trinity International University in Deerfield, IL, teaching post graduate seminars at the annual Center for Bio Ethics and Human Dignity summer workshops. She served as Associate Editor for 10 years and is now serving as Administrative Editor in Chief of the peer reviewed medical journal *Issues in Law and Medicine A Journal of the Alliance for Hippocratic Medicine*. (ILM JAHM)

Dr. Harrison is married to Dr. Mark Harrison M.D., and is the mother of 5 children and 16 grandchildren.
